Dr Griffiths' Retirement

30th June 2014

...

We would like to inform you that Dr Griffiths retired on Monday 30th June 2014 – Dr Griffiths has been a very major figure within the surgery, we will miss her greatly, but I am sure you will join me on wishing her a Happy Retirement. We would like to welcome our new GP to the Apples Medical Centre, Dr Angela Tweedie she is joining us from 1st July 2014, Dr Tweedie will be working the same hours as Dr Griffiths, Mondays, Tuesdays and Thursday

Changes to our Practice

Within the last year there have been many changes, I took over from Jayne Ashworth and Jayne now has her hands full with twins! A few new faces in Reception (Liz) and Dispensary (Gemma), plus we have just recruited a new Phlebotomist (Lyndsey); however the main change has been our clinical Computer system.

Would like to thank everyone for their patience whilst we learnt our way around the system!

From July 1st there will be a few changes to Duty Doctor Days:

Mondays – Dr Miles
Tuesday – Dr Lewis
Wednesday – Dr Morris
Thursday – Dr Tweedie
Friday – Alternate GP's

Appointment times –
From January Dr Lewis piloted 15 mins appointment times, this has worked well, so from 1st July Dr Morris will also have 15 mins per appointment.

Chiropody – Michelle Crabbe moved on after 20 years at the practice, unfortunately there has been a few problems with the service provider - Information Leaflets available in Reception

Repeat prescriptions, please allow two working days.

If you have any ideas for your Newsletter I would be very interested to hear from you.
